Terms

Our terms are the same as shown in previous lists. This year, for the first time, a charge will be made for boxes and packing at near actual cost. This charge will be omitted on orders that are paid for in advance.

THIRTY DAYS, less 1%. TEN DAYS, less 2%. For cash or cash with order before shipment, less 3%.

GRAFT ROSES—About one-third our annual out-put are root-grafted. In making this Graft we use only a small piece of Gloire des Rosomanes (*Ragged Robin*). Only a very short piece is used, which positively insures them against throwing root-suckers. Ragged Robin is a hardy Rose we have known intimately the past twenty-five years. It never suckers from the roots, so will never produce any wild sort not wanted. We think there is no better root-stock for Hybrid Teas and kindred sorts.
